Here is the updated version incorporating John's comments. Sorry for the delay, I needed to check on a few things in the letter.

Thanks, Kathy—let's keep the letter format for Dave's review.

John et al, We received some edits from Todd Siegal late last night that I don't think are in the version you reviewed John, Let me make those changes (Whitney is out today) and resend to you. Also, do we know if this will be a letter, a memo or an email? Asking as I'll make the conforming format changes. Thanks, Kathy

Looks great, Whitney—I'll plan to send up to Dave with only some minor tweaks to the opening and closing (and reference in my transmittal the current plan to include some rationale in the EPA's FL FRN). Let me know if Tod has anything further...I won't plan to send until later today.  
Thanks again,  
John

Hello John,

Please see attached for a draft letter from David Ross to Chairman Jorjani, as requested in our meeting yesterday. OGC (Simma), R4 ORC (Matt Hicks), and Kathy have reviewed. We are requesting Tod Siegal's (OGC) review concurrent with your review.

Thanks for your feedback!

Best,  
Whitney
